- Facilitated weekly support groups led by licensed therapist.
- Facilitated monthly support group meetings for our Kids Kicking Cancer group.
- Partnered with Johnson Dermatology to provide free skin cancer screenings and the Arkansas Prostate Cancer Foundation to provide free prostate cancer screenings.
- Reached thousands of area youth with vital information about sun safety with our Sun SMART Program and Take a Stand, Don't Tan in partnership with the Arkansas Cancer Coalition and River Valley Skin Cancer Alliance.
- Distributed Mary Kay Beauty Kits in partnership with a local Mary Kay Representative.
- Sponsored congratulatory Daisy Bundles to those finishing Radiation Treatments.

### OUR MISSION CONTINUES

Research has shown that people with cancer are better able to deal with their disease when supported by others in similar situations. Since 1978, the Cancer Support House has provided a multitude of opportunities for cancer patients and caregivers to connect with each other and access services that have a major impact on their survivorship.
